Marc,

Sorry that I've been slow in getting back with you. I'm trying to get a brief out the door. I've discussed this with Josh and I can confirm I have no objection on behalf of the vendor class.

Thanks, Derek

I just noticed that you have been appointed interim lead counsel for the vendor class. As you may be aware, Dominion has been in a dispute with Reynolds over discovery. Dominion is concerned about the misuse of its confidential documents by Defendants. I asked Kellogg (Joshua Hafenbrack) and counsel for the dealer class if they had any objection to a modification of the confidentiality order that Dominion was proposing and they both indicated that they had no objection. I thought I was covering the waterfront on the plaintiff side by getting both Kellogg and the dealer class counsel to indicate they had no objection, but now maybe I need to get your position as well? I will send you a second e-mail asking you whether you object. I will follow up with a call on Monday.
